

### Task language and steps

- Ask, '*do you want to see a trick?*'.
- Say, '*here is an ordinary spoon*'.
- Show your audience the spoon.
- Perform the trick.
- Say, '*but when I bend the spoon...*'.
- Say, '*it magically restores itself*'.
- Show the restored spoon.

### Success criteria

- Did the magician perform the trick well?
- Did the magician tell the audience what was happening? e.g., did they say, '*here is an ordinary spoon*'?
- Give the magician some feedback and advice.
